

# Drew Esquivel Memorial Duals

(Formerly known as the Healdsburg Duals)

**When:** Saturday Dec. 20th, 2025

**Where:** Healdsburg High School (Healdsburg is located 75 miles north of San Francisco on  
1024 Prince St. Hwy 101 in the heart of the wine country of Sonoma County)  
Healdsburg, CA. 95448  
(707) 431-3420

**Format:** 16 team dual tourney on 4 mats in two gyms. Prelim rounds consist of 4 team pools wrestling round robin on 4 mats. Each group will be assigned to one specific mat and will wrestle each team in their pool until all matches are completed. Pools will be set up with teams separated as fairly as possible based on team strength, league/geographic area and section. The ultimate goal is to create 4 evenly balanced groups.

After the prelim rounds are completed, teams will be placed in a 4-team bracket based on its finish within the pool matches. The four pool winners will wrestle for places 1-4, pool runner ups will wrestle for places 5-8, etc.

Each team will get 5 duals. It's a great format that allows for evenly contested matches for teams of all strengths and has been well received over the years.

**Weigh-ins:** 8:00am HHS East Gym (mats 3 & 4)

**Wrestling:** 9:00am start and continue straight thru until complete (typically 5:00-6:00pm) on 4 mats. The tournament will be run on Trackwrestling

**Finals:** The 3/4 place match and championship final will be run under the lights of our new "Drew Esquivel Hall" wrestling facility. It's a great environment with stadium seating that provides a fun experience for both teams and fans.

**Awards:** Trophies to top 3 teams. Gold medals to all kids that go 5-0, Silver to 4-1, Bronze to 3-2

**Entry Fee:** \$395. Payable to **Healdsburg HS Wrestling**. Please mail to the address school listed above c/o Healdsburg Wrestling.

There will be a cost break for teams that elect to participate in both this tournament and our **Mick Tapparo Jr. JV tournament** on the evening prior (12/19). The cost to compete in both will be **\$475** (a \$120 discount). A separate flyer is available

**Top four teams in 2024:** 1. Ukiah (NCS) 2. College Park (NCS) 3. Freedom (NCS) 4. Casa Grande (NCS)

We have nice facilities with two gyms adjacent to each other that allow for a comfortable and efficient event for both teams and fans alike. There is also a nice area of artificial turf between the gyms where teams can set up canopies or chairs (weather dependent).

Being a dual tourney, you are welcome to bring as many kids and juggle lineups as you see fit. We do host a separate JV double elim tournament on the Friday afternoon before (12/19) if you want to bring the entire team to one location (invite sent separately). Those kids can compete on Saturday too (Please note there is no weight allowance).

We have a fantastic snack bar and hospitality room for coaches with plenty of good food for all.

Please respond early to assure your team a spot. If you have any questions, please let me know
